

PARTS
 Legs (2) - 1 1/2 x 11 1/4 x 14
 Brace (1) - 1 1/2 x 11 1/4 x 29
 Seat (1) - 1 1/2 x 11 1/4 x 36

ONE-BOARD PROJECT

**SIMPLE WOODWORKING:
ONE-BOARD BENCH**

LUMBER 1 - 2 x 12 x 8
HARDWARE 2 1/2" pocket hole screws

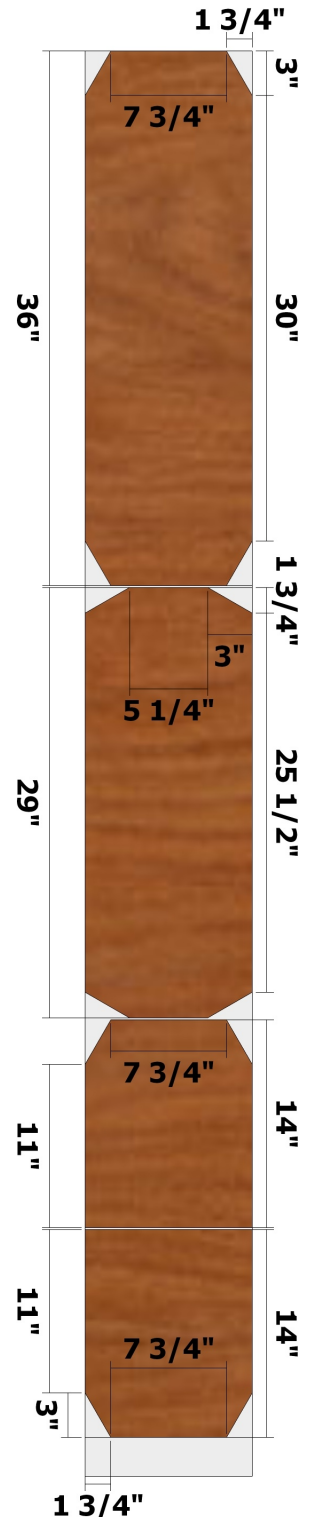

Use the figure above and the Cutting Diagram on Page 2 as guides to cut the parts to size and shape and to drill pocket holes. Set your Kreg Jig and drill bit for 1 1/2" stock.

Position the parts as shown and attach using glue and 2 1/2" screws. Be sure to position the Seat centered on the assembly before attaching.
